Is Your Labor Law Poster Up-To-Date?

Our Labor Law Posters Feature A QR Code To Ensure Compliance

Labor Law Postings can change at any time of the year! Need to check if you have all the most recent updates displayed? Simply scan the QR Code at the top left of the poster for instant guidance.

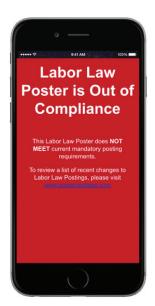

How Does It Work?

1. Locate and scan the QR Code found in the top-left corner of your labor law poster

2. Easily determine if your poster is in or out of compliance:

If the Labor Law Poster is **in compliance**, the green screen and message will be displayed.

If the Labor Law Poster is **out of compliance**, the red screen and message will be displayed.
