

Is Your Business Compliant With Digital Labor Law Posting Requirements?

HOW THE SERVICE WORKS

Receive your Labor Law ePosterCenter link.

Share the link with your employees via email, your intranet site, your company policy manual, and/or your employee handbook.

Ensure Ongoing Compliance & Avoid Fines and Lawsuits with the Labor Law ePosterCenter

Designed for Today's Modern Hybrid Workforce

Employers are legally obligated to make labor law notices available to their entire workforce - wherever they work - and this obligation extends to remote employees. Additionally, New York and Illinois require employers to provide digital versions to all employees. Finally, there is a simple compliance solution designed specifically for remote and hybrid employees, NY & IL, or non-traditional worksites.

HERE ARE JUST A FEW OF THE FEATURES:

Digital Service Accessed through a Simple Application Link.

Automatic Filtering of Labor Law Notices by State or Zip Code.

Access to All 50 U.S. States, the District of Columbia, and Puerto Rico.

Includes City & County Notices

Pay-As-You-Go Subscription.

Employees enter their zip code in the Labor Law ePosterCenter to view their Federal, State, County, and City notices.
